It's hard to believe we're already in the final month of 2025! What a year it has been at the Centre – from busy programs to special gatherings, and of course, celebrating our 50th Anniversary.

We're already looking ahead to 2026 and have plenty of activities and events taking shape. Here are just a few things already on the calendar, with more details coming soon on how you can get involved.

We're always grateful for volunteers and have opportunities of all kinds throughout the year. Planning new activities to offer takes more volunteers. If you're interested in lending a hand, please reach out – we'd love to hear from you! We wish all our members a wonderful holiday season!
